This transcript grid and the attached narrative descriptions of this student's work document the student's completion of the rigorous college-preparatory requirements which all students must meet. Francis W. Parker Charter Essential School offers Narrative Assessments only, and no grades are listed on the transcript grid below. A full explanation of Parker's assessment tools and techniques, Division Cycles, curriculum, and a complete listing of course descriptions is provided in the Course Descriptions booklet which can be found at the following link: parker.school/courses or on the Parker College Counseling webpage.

Each Division cycle is completed by students (on average) in 1.5 to 2.5 years. Courses earn .5 credits per semester with the exception of courses marked NSC (not successfully completed), which earn no credit. Unless marked NSC, all courses should be considered completed towards earning *AT MINIMUM* a traditional GPA of 3.0/4.0. Division 3 classes are indicated by **bold**.
