Summer begins early!

Starting **April 15 – July 31, 2020**, the **Sora Sweet Reads** program will offer a collection of Juvenile and Young Adult titles that will be prominently displayed in Sora for quick and easy unlimited access. You can explore the title offerings and learn more about the program here: <https://resources.overdrive.com/sora-sweet-reads/>. And more than 30 titles will be available for simultaneous use, meaning no wait on any of these. They include both e-books and audiobooks.

How does it work?

Sora provides the quickest and easiest way to get started with digital titles from our school. Students can simply log in using their Parker email and ID and instantly access hundreds of e-books and audiobooks on virtually any device. Get started today at <https://soraapp.com> or download the free Sora app for Android or iOS.

Discover new books and authors. The Parker librarian can help you out! There are new YA books being published every week, every month and older books you didn't know existed. Tell me what you've read and liked in the past. I can check your Parker reading history and send you a list of what I would recommend.
