I have read the information included in the Information Packet and understand what this trip is asking of my child/student, as well as the associated costs.

I have read and agree to Interact Travel's [Agreement and Release](#) and have also familiarized myself with Interact's [Preguntas](#) booklet, either by attending the parent meeting on Sept. 30<sup>th</sup> or thoroughly reading it myself. I am also familiar with the costs associated with this trip, including the total cost of the trip and other costs (travel insurance, travel food, spending money, baggage, possible dietary restrictions).

I understand that if my student is accepted on this trip but they do not want or are not able to go on this trip, they must **inform Mandy and Fran via email by 12 PM on Friday 10/8** or their information will be submitted to Interact, committing me to the full cost of this trip, unless another traveler, with consent of their guardian and approved through the application process by Fran and Mandy, is found.
