## Yucatan Trip Behavioral Contract – April 2020

1. We are one group of Parker students. It is assumed that you can be with everyone in this group in a productive manner. It is *expected* that we will not divide into smaller social circles but instead will remain an inclusive and cohesive group.
2. Use of phones is strictly limited during the trip. If a phone is brought, it should mainly be used for taking pictures. Students should *not* be posting to or checking social media during the day, meals, travel, etc. Students may not purchase International plans to use during our trip/use data. If students need to contact home, a Parker chaperone will allow students to use their phone for that purpose. Failure to abide by these norms may result in phone being taken away, along with other consequences deemed appropriate by trip leaders. Rational explained in parent meeting. Students should ask questions about this if they have them.
3. During travel we will remain as a group. You may not leave the group without first asking a Parker chaperone. You may never travel anywhere alone – you must always, always be with another person from Parker.
4. Listen and follow all directives given by any group leader or tour guide, without question, comment or argument.
5. Practice safe and responsible decision making.
6. All Parker School Norms Apply during the trip. (see [Community Handbook](#))

\*\*\* If any of the above norms are violated (#1-5), appropriate action will be taken during the trip. Additionally, Todd may be called, and further action may be taken upon return.

7. Any illegal behavior (local laws and U.S. laws) will result in removal from the trip, including any use of drugs or alcohol.
8. Students may be sent home early, at their family's own expense, for failure to abide by the law and/or these guidelines.

**I understand and agree to all of the above.**
