

**2019 Teacher Residency Convening – Boston/Devens/Cambridge**  
**Visit Teacher Residency Programs in Action in Boston and Devens, MA**  
**Monday, November 4<sup>th</sup> and Tuesday, November 5<sup>th</sup>, 2019**  
**Attend School Reform Initiative Pre-Service Convening in Cambridge, MA**  
**Wednesday Morning, November 6<sup>th</sup>, 2019**

**Framing question:**

*How might schools and mentors best support novice teachers in their effort to build on the unique learning experiences they had in their residency program? What does it mean to be ready to teach and ready to learn on day one of a dynamic and rewarding career?*

**Goals:**

- Visit two successful Teacher Residency Programs in the Boston Area; notice strengths and compare and contrast these models to your own
- Use Improvement Science to generate new perspectives on long-standing challenges
- Engage the “Excavating Teaching” tool to discover new ways that mentors can increase the transparency of their practice
- Serve each other and engage in residency-focused dilemmas of practice

**This convening will be hosted by:**
