

Shop with Scrip

Francis W. Parker Charter Essential School

What is Parker's Scrip Program?

Through the Scrip Program, you can donate money to Parker's ECO simply by purchasing and reloading physical gift cards (plastic) or electronic gift cards (printed or shown on phone) for a wide variety of stores, restaurants and services. When you purchase and/or reload cards at face value through this program, Parker earns a rebate of 3-15% of the card's value. The only cost to you is a \$0.15 convenience charge when payment is made using PrestoPay (see details below).

The best way to use this program is to register at ShopWithScrip and sign-up for PrestoPay. After that, use only MyScripWallet on your smartphone to purchase and redeem e-cards. E-cards can be purchased and available to pay your bill within minutes while shopping in a store on the way to the register or when you've received your check in a restaurant.

Step Two (optional, but optimal): Enroll in PrestoPay

- PrestoPay is an online payment method offered through ShopWithScrip which allows you to purchase and reload physical gift cards and ScripNow! e-cards within minutes

 5. Return to your PrestoPay registration and enter the amounts deposited to verify your account. Also, choose a PIN number to use for online payment
 6. Once you complete the verification, you will see the approval code on that page. (E-mail will also be sent.) Email the approval code to Nicky
 7. Once the Nicky acknowledges your account, you will be ready for online payments

Step Three: Setting up MyScripWallet (optional, and more than optimal since you can use your phone!)

- MyScripWallet is a convenient mobile site (not an app) that can be used on a cell phone or mobile device
- It is an ordering tool for e-cards and reloads, and includes a wallet function to display your previously purchased e-cards and reloads. It also allows you to keep track of your balances
- Please note that some retail stores do not accept redemption from a cell phone or mobile device. MyScripWallet will advise which retailers do not participate

1. Open your browser (Safari for iPhone or Chrome for Android) on your smartphone and go to <http://www.myscripwallet.com>. You can create an icon for future easy access:
 - a. For an iPhone, select the upward arrow icon at the bottom of the screen. Choose "Add to Home Screen" and then "Add"
 - b. On Android phones, click on the Chrome menu button (three dots on upper right). Select "Add to Home Screen" and then "Add"
 - c. Click on the new icon to access the site as you would to open an app
2. Log on MyScripWallet with same username and password you use at ShopWithScrip
3. Shop for e-cards and reload already purchased e-cards right on your phone
4. Pay for your orders by using PrestoPay. Through PrestoPay, you will be able to order and/or reload e-cards within minutes – even as your waitress is bringing you your check or while you wait in line at the register in a store!
5. Display the barcode or QR code on your phone to pay for your purchase
